REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1-18 have been indicated for allowance because the prior art fails to teach the entire combination of a method for printing a test pattern on a print medium including the steps of analyzing an interference pattern to measure for distortion of the print medium and calibrating the printing device based upon the measured distortion.

Claims 19-27 have been indicated for allowance because the prior art fails to teach the entire combination of a system for image distortion calibration including means for analyzing an interference pattern to measure for distortion of the print medium and means for calibrating the printing device, based on the measured distortion.

Claims 28-40 have been indicated for allowance because the prior art fails to teach the entire combination of an article of manufacture including code for image distortion calibration of a printing device including analyzing an interference pattern extracted from the digital image to measure distortion of the print medium and based on the interference pattern, calibrating the printing device.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
